Sir:

Supplemental to the Information Disclosure Statement filed March 25, 2003, applicant herewith further cites the prior art cited on the enclosed Form PTO/SB/08A which may be material to the patentability of the application.

The prior art cited herein was cited in the Search Report in the corresponding European application.

A copy of each of the items of prior art identified in the enclosed Form PTO/SB/08A is enclosed together with a copy of the Search Report.

DE 199 12 149A which was also cited in the European Search Report has not been included on the enclosed Form PTO/SB/08A and a copy has not been enclosed herewith because it is already of record in the prosecution of the present application.

Each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Pursuant to 37 C.F.R. §1.17(p), a check in the amount of \$180.00 is enclosed to cover the fee for this Information Disclosure Statement.

In accordance with MPEP §§609 and 707.05(b) it is requested that each document cited be given thorough consideration, and that it be cited of record in the prosecution history of the present application and the patent to issue on the present application by initialing on the Form PTO/SB/08A.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of any document herein is not to be construed as an admission that such document is necessarily relevant or prior art. Moreover, no representation is intended that any cited document represents the results of a complete search or that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104(a), and in the course of such search will review for relevance every document cited on the attached Form PTO/SB/8A even if not initialed.

Respectfully submitted,

Daniel M. Riess
